MEHTA

SANGHVI & COMPANY

About Us

Established in the year 1967, Mehta Sanghvi & Company is a prominent trader, distributor, Manufactures and suppliers of a wide range of Industrial Safety / Welding / Cutting Equipment & Accessories. We have been able to associate ourselves with some of the reputed brads like TATA Steel, Larsen and Toubro, Bongaigaon Refinery and Petrochemicals, Diesel Locomotive Works, Garden Reach Shipbuilders, Godrej Industries, Adhunik Metaliks, Reliance , Indian Railways , TATA Motors, Ambuja Cement Ltd . Our Manufactured range of Welding Products are available under brand names MSC and METARC. Some of the patrons who have been dealing with us include IMFA and Lafarge INDIA

We have been carrying out both our manufacturing and trading business with utmost efficacy. The endless support of our vendors and our excellent manufacturing facilities has backed us in standing up to the expectations of our clients. Well – knit distributions network, flawless networking between the procuring agents and distributors and our timely delivers are a symbol of our professional style of working. Backed by all the modern in – house testing facilities, We ensure complete authenticity from our end

We are backed by a team of professionals, which hold specialization in different domains. These professionals work in coordination with each other in order to avoid confusion at the time of scheduling deliveries. They are aware of the techniques to use the machines essential in manufacturing process. Further, we have a team of qualified quality controllers, which keeps an eye on the production process and make sure that resources are used in a judicious manner. They also check the products on various parameters in order to leave no stone unturned. Owing to our quality – approved products and timely delivery of consignments, we have been able to establish hug clients base across the nation
